BACKGROUND

Mubraiz Resources is an indigenous haulage and logistics service provider involved in a diversified business. Mubraiz Resources was incorporated in 2019 with BN2911944 as an enterprise to support our clients within Nigeria in their domestic logistics needs. We also offer services related to warehousing, customs, and purchasing and upgraded to a Limited liability Company with Registration Number 9008567 in Nov 2025.

We pride ourselves in operating a modern and environmentally friendly truck fleet providing safe, reliable service to our customers within Nigeria.

Mubraiz Resources Ltd has qualified employees working in the company's offices, providing a one-stop service with a well-organized service network for haulage of goods. Mubraiz Resources is able to provide excellent services to our valued customers through an integrated logistics chain involving interstate road deliveries.

We are committed to offering trustworthy services in Nigeria through standardized and exceptional customer service solutions. Our company aims at gaining competitive advantages for our customers through whole process monitoring and reducing logistics costs.

Mubraiz Resources has adhered to a carefully balanced development path between company and community, growth and quality. We believe in sustainable growth and advanced company culture, continually working to improve employees' competence. We endeavour to label Mubraiz Resources with happiness and responsibility.

we identify ourselves as a logistics company in Nigeria and operate within our beloved country Nigeria. We strive to reduce costs, improve productivity, delivering excellent quality services to our customers. The maintenance of high ethical standards in external and internal relationships is our drive towards maximum success.

Decision-making in Mubraiz Resources is based on facts, objectively considered—what we call the fact-founded, thought-through approach. The business activities of our organization are kept in adjustment with the forces at work in its environment, administering business with a sense of competitive urgency.

Our Vision & Mission

Our Vision

To become a reliable household name in logistics across Nigeria, setting the benchmark for excellence in transportation and supply chain management.

We envision a future where Mubraiz Resources is synonymous with dependability, innovation, and outstanding customer service throughout the Nigerian logistics landscape.

Our Mission

To deliver excellence in commercial and logistics services using the best people, cutting-edge technology, and world-class resources.

We are committed to providing solutions that exceed client expectations whilst contributing to Nigeria's economic growth through efficient logistics infrastructure.

Core Values That Drive Us

God-fearing

We conduct our business with moral integrity, guided by spiritual principles and ethical decision-making in all our operations.

Equity

Fair treatment and equal opportunities guide our approach to partnerships, employment, and business relationships across all levels.

Loyalty

Dedicated commitment to our clients, partners, and team members, building long-term relationships based on mutual respect and support.

Integrity

Transparency and honesty form the foundation of our client relationships, ensuring trust and reliability in every transaction.

Excellence

We pursue the highest standards in service delivery, continuously improving our processes and exceeding industry benchmarks.

Professionalism

Maintaining the highest standards of expertise, competence, and conduct in all aspects of our logistics and transportation services.

Strategic Objectives

Customer & Market Excellence

- Deliver outstanding customer service that exceeds expectations
- Expand operations into new regional markets across Nigeria
- Invest strategically in cutting-edge logistics technology
- Build lasting partnerships with key industry players

Our customer-centric approach drives continuous improvement in service quality and market reach.

Internal Operations Enhancement

- Increase operational efficiency through process optimisation
- Improve internal communication systems and protocols
- Form strategic alliances with complementary service providers
- Implement sustainable and environmentally conscious practices

Streamlined operations enable us to deliver superior value whilst maintaining cost-effectiveness.

People Development

- Recruit industry experts and emerging talent
- Develop strong leadership capabilities at all levels
- Align rewards and recognition with performance excellence
- Foster a culture of continuous learning and innovation

Our greatest asset is our people, and their growth directly contributes to our organisational success.

Principal Route and Geographies

Trusted Client Partnerships

La Casera Plc

Comprehensive nationwide product distribution services, ensuring timely delivery of beverages across all Nigerian markets with exceptional reliability and efficiency.

"Our client relationships are built on trust, performance, and mutual growth. We don't just transport goods – we deliver on promises and exceed expectations consistently."

These partnerships demonstrate our ability to scale operations according to client needs whilst maintaining the highest standards of service quality and reliability across Nigeria's challenging logistics landscape.

TGI Distri

Strategic logistics and distribution partnership providing integrated supply chain solutions and optimised transportation networks for enhanced market reach.

Chi Limited

Remarkable growth partnership from initial 5-vehicle support to large-scale fleet management. Officially commended for operational excellence and outstanding service delivery.

Trusted Client Partnerships

At Mubraiz Resources, we take great pride in our enduring relationships with a diverse clientele, exemplifying our commitment to excellence in the logistics industry. We are pleased to present some of our key clients who have entrusted us with their logistics needs, and with whom we have forged strong partnerships.

1. LA CASARA PLC:

- **Comprehensive Nationwide Distribution:** Mubraiz Resources plays an integral role in facilitating the nationwide distribution of La Casara PLC's extensive range of products. Our reliable services connect their products to every corner of the country, ensuring that they reach their intended destinations efficiently and on time.

2. TGI DISTRI:

- **Nationwide Product Distribution:** Mubraiz Resources is honoured to be the chosen logistics partner for the nationwide distribution of TGI Distri's wide array of products. Our efficient and reliable services serve as the linchpin in ensuring that their products reach every corner of the nation in a timely manner.

3. CHIVITA LIMITED (CHI LTD):

- **A Strong Partnership:** Our collaboration with Chi Limited stands as a testament to the enduring power of strong partnerships. In 2021, we initiated our engagement with Chi Limited by deploying a modest fleet of 5 trucks, marking the inception of a logistics relationship.

- **Exponential Success:** What began as a modest logistics partnership quickly transformed into a resounding success. The management at Chi Limited was sufficiently impressed with our services, prompting them to issue a commendation and express their desire for a deeper and more extensive partnership.

Some of Our Trusted Partnerships
